Sir:

**FIRST SUPPLEMENTAL INFORMATION  
DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)**

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents listed on the attached IDS Form PTO/SB/08. This First Supplemental Information Disclosure Statement is being filed after the mailing of a Restriction Requirement and before the mailing of a first Office Action on the merits in the above-referenced application.

As required by 37 C.F.R. § 1.98(a)(2)(i), a copy of each listed foreign patent document is enclosed. Applicants respectfully request that the Examiner consider each of the listed documents and indicate that they were considered by making appropriate notations on the attached Form.

Applicants provide the following information regarding the listed non-English language documents. WO 96/18771 A1 has an English-language abstract on its face and is believed to be related to U.S. Patent No. 6,106,928, which is listed on the enclosed Form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents. Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
